STATEMENT OF OBJECTS AND REASONS

There is a Central Vigilance Commission established under the Central Vigilance Commission Act, 2003 to inquire or cause to be inquired into offences alleged to have been committed by the public servants of the Central Government under the Prevention of Corruption Act, 1988. State Government is seriously concerned about corruption in public services as it affects timely delivery of quality public services. There is, thus, a need to address this concern effectively.

With this objective, It is considered necessary to establish a State Vigilance Commission in the State of Punjab. The Commission would be a statutory autonomous body to exercise the superintendence and control over the functioning of Vigilance and Police establishment in respect of investigation of offences under the Prevention of Corruption Act, 1988.
